

Group 4 Meeting Minutes

Date: 2/8/2023

Agenda:

- 1) Classes: The group discussed several potential class options in search of our top 5.
There have been many mentioned, but we're working on narrowing down the list more.
- 2) SRS Documentation: The group is currently splitting modules up to complete.
- 3) GitHub: Documents for the group are being uploaded to GitHub as we work on them.
